K-12 SPECIALISTS

Over a billion dollars just in K-12 educational construction projects

500+

EDUCATIONAL PROJECTS
in the last 10 years

QUICK STATS:

- 11 new high schools
- 7 new middle schools
- 20+ new elementary schools
- Numerous major addition and renovation projects to existing school facilities

SPOTLIGHT ON 21ST CENTURY LEARNING

Read our latest blog post.

"No matter the size of the project, Miron makes us feel like ours is the most important. **THEY'RE ALWAYS THERE FOR US**, making things run smoothly with extensive pre-planning and efficient processes, creative problem solving, and friendly reassurance. **THEY JUST MAKE IT HAPPEN.** That's why we've had a successful relationship with Miron for over 20 years."

Gary Cumberland, District Administrator
Shawano School District
