

\$645 MILLION
in **PASSED** Referenda

“ Miron helped **FACILITATE** our Community Facility Task Force conversations in a way that respected and honored the diverse opinions in the group. These conversations led the way to a final proposal that was reflective of our community's values. ”

Dr. Shelly Severson
Superintendent
School District of Black River Falls

“ With the help of Miron's pre-referendum services, we were able to engage our communities in a conversation lasting several months. These professional efforts helped our community understand the needs we were facing and helped us learn more about the many perspectives and facets of our community. The **PROCESS** led by the Miron team certainly was a large part of our success. ”

Jeff Jacobson
District Administrator
Dodgeville School District
