

BUILD *like a* GIRL

presented by: MIRON CONSTRUCTION CO., INC.

JUNE 21ST !! ;)

While **women comprise a mere 9.9% of the construction industry** (with only a staggering 1% of laborers in the field being women), an evolving workforce equates to endless job opportunities and strong salaries for skilled craftspersons. As a way to **educate and build female interest in the construction industry**, Miron Construction will be hosting a one-day, hands-on event geared specifically toward 7th - 10th grade **girls**. Join us to **learn more about all aspects of the industry and to try your hand at a few trades**. You'll have the chance to experience what it's like to work as a carpenter, mason, and more. We'll even be touring an active construction project. Lunch and beverages will be provided.

We can accommodate **40 attendees**, but these spots are going to fill up fast. If interested in attending, **please email Jessica Micke (jessica.micke@miron-construction.com) by April 26th with the following information:**

- Your full name
- Email address
- Phone number
- T-shirt size
- School name
- Grade level & age
- Any dietary restrictions

Who: 7th-10th grade girls
When: June 21st, 8am-4pm
Where: Miron Construction Co., Inc.
1471 McMahon Drive, Neenah, WI

No Cost to Attend!

more info: Event will take place rain or shine. Please wear long pants and sturdy, close-toed shoes. All safety equipment will be provided. Preference will be given to first-time attendees.

If you have questions about the event, please contact **Dave Walsh**, Miron's Vice President of Human Resources at dave.walsh@miron-construction.com or **920.969.7098**.
